

# IN THE POCKET

By W.W. EDGAR

There seems to be no stopping Bill Spargo in his bid to repeat as the metropolitan area's top average bowler of the year.

Now leading the two top leagues in the area with a mean average of 215, he went on another scoring spree this week in the Westland Classic.

Starting with a 269 game, he added a 204 in the middle and then closed with a 278 for 751 — third highest series rolled in the metropolitan section this year.

The big series not only was the best rolled at Westland, but in registering it, Spargo beat his old mark of 737.

Two other big scores were posted in the Classic, but neither one came close to Spargo. Bernie Peters had a 666 on games of 222, 233 and 211 for second place and Ron Sharples landed third with a 659 that included games of 214, 224 and 221.

While Spargo was adding to his records, Dick Preston,

one of the veterans of the classics, showed the young fellows how it is done in the Garden Lanes Classic.

Dick posted a 671 to pace the entire pack and gained a 34 pin edge over Ron Brennan who had a 637.

Pat Potter moved in to take some of the top honors for the ladies in the Guys and Dolls league with a high game of 246.

More than 350 members of the Old Timers Association are expected to compete in the 43rd annual Old Timers Tournament Saturday afternoon at Thunderbowl Lanes in Allen Park.

This event will set a new mark and establish a precedent as both the bowling and the annual banquet will be held at the same location. Bowling is scheduled at 1 p.m. with the dinner being served at 4:30 p.m.

The low average bowlers had a great time of it this week at Country Lanes.

Joe Rom, who carries a 159 average in the Loon Lake Circuit, put together games of 276, 194 and 197 for a 667. Right behind him came Bill Holbrook, of the UAW 985 league who has an average of 183. You'd never believe it, but he started with a 222, followed with a 215 and closed with a 234 for 671.

Then, to top off the week, Rose Schmidt, a substitute with a 158 average in the Forest Park League, came through with a 558 series.

Converting splits was the order of the day at Plaza Bowl.

Marie Nadelay started it in the Bowlerettes League when she knocked over the difficult 7-10. She was so surprised with the shot that she didn't know how she did it.

But the real champion was Sam LoCasio, bowling in the Senior Citizens League. He converted two — first the 4-7-10 and then coming back to topple the 4-6-10.

This was a big week for Carol Schuke in the Ladies League at Mayflower Lanes. Carrying a 109 average, she found the range for a 222 — and went more than 100 pins over her average for the first time.

Two other girls did well in the Early Birds League. Mickey Bender posted a 541 and Eleanor Trembly was right behind with a 523.

Another tie developed for top honors in the Livonia Ladies Singles Classic when Eleanor got hers with 430 — 153 — 583 while Dot rolled an actual 448 and with her "spot" of 135 also posted a 583.

In the individual games, Geri Zande won the opener with a 151-49-200. Loretta Reid won the second with 185-43-228 and Eleanor Slavin took third with 151-51-202.
