Parks Set Schedules For Winter

Hours of operation for major winter recreation facilities at both Kensington and Lower Huron Metroparks have been announced, conditional upon weather conditions.

Kensington, near Milford, is one of the state's most popular year-around recreation area and has facilities for tobogganing, skating, sledding, cross country skiing and ice fishing.

Catches of bluegills, crappies and pike are taken by many fishermen who enjoy availability of Kent Lake.

Skating hours are set as running from 10 a.m. to 9:30 p.m. daily, when the weather permits. The rinks are located in front of the boardwalk building. The latter is open from 2 to 9:30 p.m. Monday through Friday and from 10 a.m. to 9:30 p.m. on Saturdays, Sundays and holidays.

The extended schedule also will be in effect during Christmas vacation, from Monday, Dec. 24 through Tuesday, Jan. 1. This building has a heated lounge with a fireplace, restrooms, food service and vending machines.

Ideal for sledding and tobogganing are the billy slides at the winter sports area which has an enclosed warming shelter with a fireplace and tables.

There are five toboggan runs and a separate area for sledging. These facilities are open daily from 10 a.m. to 9:30 p.m., weather permitting.

Lower Huron Metropark is located near Belleville along the Huron River.

Three natural rink surfaces are provided at inter-connected ponds and skating is permitted until 11 p.m. daily. Recorded music, light and wood for rickride fires are provided. Heated restrooms are nearby.

Lower Huron's park entrance is on Hannan Rd. just 1/2 mile south of I-94 via the Hagerty Rd. interchange between Detroit Metropolitan Airport and Belleville.
