

Why settle for a drive-in window when you can have the whole bank?

When most banks talk about extended banking hours, they aren't talking about extended banking hours.

They're talking about a few extra hours when you can drive in to cash a check. Or deposit a check. Or make a savings deposit.

And that's about all.

When we talk about extended hours, we're talking about our new People Hours.SM They're

extra hours when we're open for whatever kind of banking you want to do. From loans to savings to mortgages to checking to everything.

People Hours are extra long hours from 10:00 A.M. till 7:00 P.M. on Mondays, Thursdays and Fridays. That's in addition to being open till 4:30 P.M. Tuesday and Wednesday. People Hours are available at 51 of our 72 branches. Check the branch nearest you.

So come to the bank that can handle whatever kind of banking you want to do. Whenever it's convenient for you to do it.

Why should you settle for less?

"That's my bank."

If it weren't for our people,
we'd be just another good bank.
