

# 359.95

**Sanyo 19" diagonal color portable TV**, precision engineered to produce superb instant-on picture and sound. The chassis is wholly solid state; and the set operates cooler, requiring less frequent service. And there's a Black Matrix picture tube for greater clarity. The special AFT circuit eliminates necessity to fine-tune when changing the channels, they're clear at once. Music Store, at Westland.

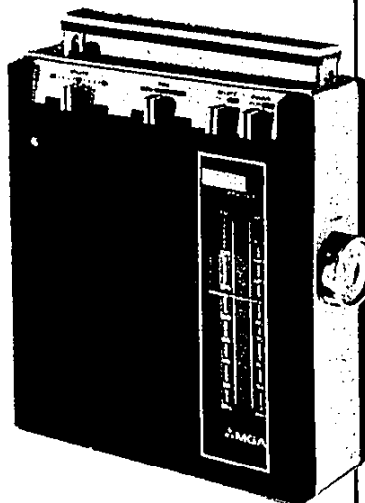

# 199.95

**MGA total sound system on its own cart.** Package deal includes AM/FM stereo receiver with built-in 8-track separate record changer and air suspension speakers with 6-1/2" woofer, 2" tweeter. Hudson's Music Store, Westland.

# 32.95

**MGA AM/FM weather portable radio** that features instant weather button to receive the weather. Built-in AC adapter, carrying handle. Includes earphones, AC cord and illuminated tuning scale. Find it in the Music Store, Westland.
