Continued from Page 1A
In connection with flooding
and storm water disposal
problems, the township board
vigorously pursued the completion of a master storm
drainage plan, and later it
was unanimously adopted
and the first two storm
drainage districts established.

One of the these districts is designed to serve the south-east portion of the city (Sec-tion 34 and 35) bounded by Eight Mile on the south, I-96 on the north, the City of on the north, the City of Farmington on the west and Middle Belt on the east. The other drainage district is an intra - community drain to serve the northeast corner of the city and it would be a co-operative project with West Bloomfield Township.

Trash, Tree **Pickups**

Change

The holiday trash collection schedule will be changed for the City of Parmington, according to DPW director David Jones. The Tuesday collection is moved 'to Wednesday for both the Christmas and New Year holidays.

Christmas tree collection begins Jan. 7, and regular-trushpickup begins again on Jan. 8.

McConnell Jaycees Seek **New Members**

During the year over 2½ miles of sanitary sewer lines were installed in three areas of the township, namely the Farmington Hills subdivision at 10 Mile and Orchard Lake Rd., Springbrook off Shiawassee, and Greening. Construction work is now in progress at Samana Acrees subdivision off Orchard Lake Rd. between 10 and 11 Mile Roads.

Project plans for 1974 cali FARMINGTON made up of executives, professional ment, merchants, and membership drive with a meeting on Jan. 8 at 8 p.m. in the American Legion flail. 31776 Grand River.

All men between the ages of 18 and 35 are invited to the meeting to find out about All men between the ages of 18 and 38 are invited to the meeting to find out about Jáycee activities. Pat Sheridan, past president of the Michigan Jaycees, will speak to the group about the role of a Jaycee in the community.

Rd. between 10 and 11 Mile Roads.
Project plans for 1974 cali for the construction of approximately five smiles of sanilary sever system in the city of the subject of roads, a pig accomplishment for the residents in the Parker St. area was "Project Shovel." This was a program in which residents in the area helped themselves by digging and clearing ditches and installing culverts to improve drainage to permit the rebuilding of their streets and roads.

building of their streets and roads.
Residents on Parker, Hugo, Whilook, Robinson, Sumydale, Powers, etc., worked in the spring and summer menths to complete the project. While the township didn't get all the slag and gravel originally-promised by the county road commission, nevertheless the spade work done by our citizens was a significant accomplishment in improving the community. Several roads and streets in other areas of the city

several roads and streets in other areas of the city were blacktopped. Paving in the Woodbine subdivision (off 10 Mile Road), together with paving on 9 Mile Road and Haggerty Rd, accounted for four miles of road, construction this past year, to say nothing of the major road improvement at the intersection of Orchard Lake and 12 Mile Roads. A new fire truck has been ordered and plans have been made for improved training programs. Six new police officers were added to the police department and the establishment of a human reschedition with trained paramedics has been under study for the next few the several programs. Six new police department and the establishment of a human rescheditishing with trained paramedics has been under study for the next few

study for the past few months.

Yes, 1973 has been a year of accomplishment, but the progress and achievements have come only as a result of the excellent cooperation and support given by the former Farmington Township but of Farmington Township but of Farmington Hills, our professional staff, the news media, and most importantly, our residents, as we all strive to make our community a better make our community a bet-ter place in which to live.
