A rink-side view Adults abuse young players

READERS' FORUM

A year or two ago, I read about the unbecoming con-duct of an irate hockey faa. venting anger on a referee. It's high time the coaches, managers and trainers of the Mites, Squirts, Pee Wees, etc. learned to control their anger temperer and running

anger, tempers and running off at the mouth, directed at

off at the mouth, directed at their own players. During the past week, It have witnessed the most build display of verbal ab-use directed at 9, 10 and 11 year olds 1 have ever heard. Not only during games but before and after as well. All done by "volunteer adults." Come on, "men." grow up. You don't rdicule a boy in front of parenks, friends and teammates because he can't suddenly become a Howe when it gets down to the nil-ty - gritty, especially since

I would like to know why the Wayne County Road Commission has not fixed the old section of Rosedale Gar-dens in Livonia. You can hardly drive your car through those roads without wrecking your car in some way. The in Linoita You can barry control the adaption in Linoita You can barry control the source of the

beats Detroit's

EDITOR:

It is dangerous, too, be-cause lots of cars are parked on the side of the road, and if you were to swerve away from a hole, there is a good chance that you might run into one of those cars. Why can't they fill the holes and cover the road with blacktopping to hold un-til they are able to make it permanent? BRAD FELICE

Lives lost EDITOR: I have read with interest the letters concerning abor tion and would like to add the discussion. First, abortion is more than just a word. What is conceived by human is hursan to be living - correct? First, abortion is per-formed, it destroys this human In fact, last vear alone
