### Insurance FACTS

by Robert H. Bergstrom, CPCU. Insurance covering damage to others, is better known as liability insurance. It covers bodily injuries and property damages. Laws in all states make this insurance mandatory. Liability coverage is effective when the vehicle insured is driven by the policyholder, any member of his family, or anyone who drives it with his permission. Liability insurance is, then, one of the most important coverages you buy for your auto, as well as a mandatory coverage.

### Waitresses, waiters in contest

FARMINGTON -- Ever wanted to let a waitress or waiter know what you think of them? The Farmington Chamber of Commerce is giving winners a chance to pick the "water or waitress of the year" for the first time this month. An effort to give recognition to both the local restaurateurs and the people who work in them, the contest runs to March 8. Each participating restaurant is asking customers to vote for their favorite. Winners from each competing restaurant will go before a panel of judges March 18 in the Holiday Inn, to be picked top in their field. Categories for the contest are: fast food with table service; full dining with liquor, and full dining without liquor. Participating restaurants will be identified by a sign in the window. Waiters and waitresses will be sporting blue ribbons and will leave a ballot at your table for the contest.
