a bicycle for  
less than a Raleigh  
but you get less bicycle.

How does Walker's do it?  
Walker's does it by cutting  
out alterations and deliv-  
eries . . . by refusing credit  
and credit cards. By elimi-  
nating all nonessential  
services, Walker's can sell  
to you at small wholesale-  
like markups. It's the new  
way to buy men's clothing!

**What About Quality?**

Walker's sells the same nationally-  
advertised clothing found in better  
men's stores. The only difference  
is that some of the labels  
are removed.

**What About  
Selection?**

You won't believe.  
Walker's selection of  
up-to-the-minute  
suits, coats, sport  
coats, slacks, and  
shirts . . . in regular  
and hard-to-fit sizes.

**What About  
Fitting?**

Walker's does not  
make alterations . . .  
but at the prices you  
pay, you can have a tailor  
fit your clothing and still  
be far ahead of the game.
