

cool, carefree seersucker
SHADES OF SUMMER

by **MADISON**

One of the age-old secrets for just the right appearance during summer's warm days is seersucker. We can now offer you this classic favorite in a sport coat of crinkle-checked texturized yarns that defy wrinkles and wear as well as they look all day long, no matter what your pace, and the neat plaids and checks, in a range of color, add a bit of dash to the most uncomfortable day.

"Top Hat"
