Oakway plays in high schools

Twelve members of the Oakway Symphony Orchestra will present student concerts in Farmington High School Tuesday, April 23 and in Livonia's Bentley High School Thursday, April 25. Both concerts will be at 9:45 a.m.

Oakway Conductor Francesco DiBlasi will narrate and perform a solo.

The program will highlight a movement of a Haydn String Quartet, Die Bankensangerlieder (Bench Singers Song, anonymous) for brass quintet and Saint-Saens Septet for piano, trumpet and strings. Soloists for this work will be Muriel Kilby and DiBlasi.

Schools interested in presenting similar concerts next fall are urged to send a representative to the April 23 or 25 concert.

The concerts are sponsored through the Detroit Federation of Musicians and the Music Performance Trust Fund.

Gardeners warned of con-men

Coming of spring marks the appearance of miracle con-men who prey on home gardeners and landscapers. "Don't be taken in by these racketeers" is the warning sounded by Attorney General Frank J. Kelley, B. Dale Ball, agricultural director, and the Michigan Association of Nurserymen (MAN).

Home gardeners are warned against high pressure salesmen and mail order advertisers using fancy names for ordinary shrubs and plants

and making exaggerated claims for their plant material. Beware of glowing word descriptions and faked photographs of climbing vine peaches, giant climbing strawberries, 1,000 giant roses on a single bush, flowering shade trees that grow roof high in a single year, etc.

"All consumer complaints, including verbal misrepresentations, are received by the Consumer Protection Division of the attorney general's

office and appropriate action is taken," said a spokesman for the attorney general. "It is our experience that purchasers who deal with established local merchants can see what they are buying and not be misled by photographs or lurid verbal pictures."

"One cannot expect to get high quality stock at ridiculously low prices," said Dean F. Lovett, chief of the plant industry division of the Department of Agriculture.

After all these years, maybe it's time you moved to bigger and better things.

If you've been considering a bigger house, or a newer one, there'll never be a better time than right now to make your move.

And, right now, National Bank of Detroit can help you make that move. We have mortgage money to lend, and we lend more than any other bank in town.

We'll give you prompt word on the

approval of your mortgage loan, and set up your closing in as little as two weeks thereafter at an NBD office in your neighborhood.

Our might also save you some money. Our closing fee on uninsured conventional mortgages is a simple flat fee that has nothing to do with the size of your

mortgage. And that could possibly save you enough money to buy a new chair for your new home, or carpet one of your new bedrooms.

Why not look into a mortgage loan now at any of the more than 100 offices of NBD.

The bank that's ready to help you get a new house—now.

Making banking better for you.
