

It's a kosher carnival so have a matzah ball

By SHIRLEE IDEN

You like games. Roulette, black-jack, and slot machines really turn you on. And nothing like a junket to Vegas really leaves you loose, even if it does cost.

Well, if you have to stay in town this weekend there's a new wrinkle on games right in the neighborhood.

"If you're not yet an expert at 'tepel-toss,' 'ding-dong Davan' or 'try for Cahi,' this is your chance. A country-fair carnival, 'Fun

for Funds" is the happening, and Beth Abraham-Hillel Synagogue in Birmingham is the place.

"FUN FOR FUNDS," is sponsored by the Women's Auxiliary to the Michigan Region of the Red Magen David.

"Our goal is to raise funds for first aid equipment for the Col. David Marcus First Aid Station in Ashdod, Israel," said Phyllis Seel.

"The group's only in it's second year," Mrs. Susan Cohen said.

"We have about 70 members and they've really worked hard on this party."

Because of the carnival theme, dress for the event is casual and the eatables are too. Fried chicken, coney islands, bar-b-q beef, and kishka are a few menu items.

"THERE'S a do-it-yourself ice cream bar that would blow any one's mind," the woman agreed, "and of course, it's an all-you-can-eat buffet."

For weight watchers and gambler's anonymous, Marshall Korby and his orchestra will provide music for dancing.

Drums-full of prizes will be given away and a silent auction will feature china, crystal, jewelry, men's and children's clothing and original art.

Mrs. Seel, a Southfield resident is co-chairing the fund raising with Audrey Edelhelt of West Bloomfield.

Also from West Bloomfield is Liz Warnick, treasurer, who'll send you tickets if you call her at 553-0459.

"Best way to cure snow and salt burn... GRAND PRIZE* Lawn & Garden Gypsum"

3395 Jerry Baker, America's Master Gardener and author of Plants Are Like People.

*Reg. U. S. Pat. Off.

lawn & garden gypsum

a natural conditioner for clay soil

BEFORE GYPSUM: Heavy, compacted soil slows root penetration; restricts development of plant roots and tops.

AFTER GYPSUM: Plenty of pore space for air and water; better utilization of rain and sprinkler water; possible savings on water bills.

GRAND PRIZE is a natural soil conditioner that loosens hard soil; prevents salt burn by leaching out harmful sodium. In untreated lawns where burn has already occurred, it restores circulation of air and water to overcome compaction caused by piled-up snow.

GRAND PRIZE lets choked-up soil breathe again, seeds germinate faster, fertilizers work better and roots grow deeper.

GRAND PRIZE will not harm children or pets, can be applied anywhere in any season. Recommended usage to correct salt damage is 20 to 40 pounds per 100 sq. ft.
