MEET BILL AMUNDSON...

He's a professional truck driver's professional. And he's serving as Michigan's Driver of the Year for 1974. Secretary of State Richard Austin presented him with that honor in February. Bill has spent the last 34 years driving all kinds of trucks, mostly in city traffic, covering over 1 1/2 million miles...all without an accident.

We wanted you to meet Bill, especially during National Transportation Week, because without him, and the millions of other truck drivers, Michigan would not have the benefit of competing in the market places of the world.
