New Horizons is \$1,500 richer

The Women of North Farmington ended its 1973-74 season with a record year of gifts of time and energy and interest to the civic, social and moral welfare of the community.

The last thing accomplished this season was the presentation of a \$1,500 check to New Horizons. "New Horizons does such fine work in the area of job training and placement for the handicapped young adult that it became a pet project," a group spokesman said.

The money came from a millionaires' party, given in March, planned by program chairmen of the year, Pat Muzzarelli and Ann Opperhauser, and "hard work on the part of officers and members and through the generosity of local merchants."

The Women of North Farmington was started in 1957 as a service organization to give gifts to worthy causes and/or groups through fund raising. Money gifts this year went to both Girl and Boy Scouts, the Kenbrook School Library, Farmington Youth Assistance, the Area Advisory Council, and Community Living, Inc. in addition to the large gift given to New Horizons.

MEMBERSHIP is open to all women in the greater Farmington area. Ms. Muzzarelli is the membership chairman for next year and can be reached at 476-0463. The women plan to repeat their successful millionaires party and have luncheons, fashion shows and mystery trips already on the agenda for the next season.
