

16-inning win

Legion team falls twice

After a doubleheader loss Sunday at Waterford, it might be time for Rochester's American Legion baseball team to worry, if it were late July. But there's a long way to go yet.

Rochester took 6-1 and 3-2 defeats to lower its 18th District American Legion mark to 3-3, behind Waterford, Royal Oak No. 2 (Hazel Park), Berkley and Farmington in the standings.

Last year, Rochester lost only four times in district play.

"BUT OVER the last two years, six losses (in district games) would have won the district," points out coach Dirk Dieters. "This is the first year we've been in the district that every team has a win over the first six games."

The league is a little more balanced this year. We have three

games with Berkley, Waterford, some more and Hazel Park twice, and some of those other teams are going to beat teams."

Rochester did maintain the pace in the Detroit Suburban Amateur Baseball Federation Saturday in a 16-inning 8-3 win over Birmingham Troy. Rochester and Utica are the only two unbeaten in the six-team circuit, and they square

off at 2 p.m. Saturday in a doubleheader at Oakland University.

ROCHESTER will pitch Ron Irwin (0-2) at Berkley Thursday night and Doug Harrison (1-0) when Berkley comes to Oakland at 6 p.m. Friday.

Waterford scored five runs in the sixth inning on four singles, two walks, a fielder's choice and a sacrifice fly to wrap up the first game, after having only three earlier hits.

Rochester's only run was in the seventh. Mark Somers was on base on a fielder's choice, Jim Dieters doubled and Somers scored on an error. The only other hit off Waterford pitcher Mark Colliard was Irwin's first inning single.

WATERFORD HAD two runs without a hit in the seventh inning of the second game for the 3-2 decision. That included two hit batters, a walk, an error and a sacrifice fly.

Rochester took a 1-0 lead in the first on a single by Dave Maxwell and Dieters' double. Waterford tied that inning, and Rochester went ahead 2-1 in the fifth. Greg Kirby walked, was sacrificed to second by Ron Farmer and scored on Scott Clishe's single.

Maxwell had two hits. Somers and Irwin singled and Witt had a double in the game. That gives Witt six hits, 14 at-bats (.429), five of them extra bases.

SATURDAY'S four-hour, 25-minute game was part of a scheduled doubleheader, but the second half will now be played at 5 p.m. July 24.

Rochester scored five runs in the top of the 13th off Birmingham Troy reliever Gregg Ifinger. Greg Kirby powered a single down the third base line and Farmer was safe on a bunt. Irwin grounded to first base, and the fielder's choice throw to third was late to fill the bases.

Dieters grounded off the first baseman's glove for a two-run single, and Don Plourde bunted with the throw going over first base for another run.

Tigers hold Legion Day

The Detroit Tigers will salute the American Legion Michigan Division's 46th anniversary Sunday when they host the Milwaukee Brewers for a twin bill. But there was some gerrymandering of the schedule so that Rochester's defending state champion Post 172 team could be on hand.

Between games at Tiger Stadium, Sol Hildorf's Charles Larson, star legion commander, will deliver the keynote address. Also speaking will be Pontiac Township's Al Szczesny, state legion baseball chairman.

The Rochester team will also be introduced between games. Rochester almost couldn't make it, since the squad was also scheduled Sunday for a 2 p.m. doubleheader against Troy-Cla on. But the games were rescheduled, one to have been played Wednesday night and one to be played at 6 p.m. Monday at Troy High.

Since Legion baseball's birth in this state, Michigan has produced four regional winners, three sectional titlists and one national champion. Game time for the Tigers and Brewers is 8:30 p.m.
