We could have announced this Deerfield Woods debut as just another "Grand Opening"...with all the customary claptrap that goes with such an "event." But we feel that resort-ing to contrived gimmicks that smack of the commonplace would be cheap-ening the product. The quality of Deerfield Woods Apartments is so superb, we feel it appropriate to merely announce this premier show-ing of these beautiful 1 and 2 bedroom apartments...and let you be

the judge. We are convinced that those dis-criminating individuals, looking for living accommodations in the Farmington Road-Seven Mile area, will readily recognize this high-quality, 144 unit apartment development, featuring a private pool and patio, as the most luxurious approach to housing that has happened to Livonia in more than a decade.

Come on out. See for yourself how we have combined modern luxury we have commed modern luxury with old-fashioned quality, to bring you a genuinely elegant life-style that you can afford. But do it this weekend...because

we'd sooner have you for a satisfied tenant than an impatient member of our waiting list.
