We belong to RELO, a national real estate organization whose job it is to relocate you physically without relocating you mentally.

And this we can do. Through our association with RELO, we can help relocate you to at least 6,500 different communities throughout the country.

All you have to do is contact any one of our offices, and we'll take it from there.

But remember one thing. If we can relocate you from coast to coast with a minimum of woe, imagine what we can do anywhere around Detroit and its environs.
