SINCE HER plunge into weaving. Mrs. Victor has made many original creations lineluding pillows, wallhangings, purses and others for her home and others.

MANY OF her home and others.

MANY OF her weavings are original designs and textures she has worked out and all are hand-finished.

She says the actual weaving process can take from a few hours to several days, depending on the size of the project.

"I have a friend who can whip up a pillow every evering after dinner," she said.

She appreciates the mobility of weaving.
"I can do it at home, out in the woods camping of when I feel I just want to work along," she said.

She likes to escape her bus schedule which in addition do mothering Yale 19, Andrea 16, and Jeffrey 14.
