## Zofko carries the ball

By STEVE DOUGAN

Maybe if Mickey Zofko wears
thin of the gridirion grind, he can
find a future in golf.

The muscular Detroit Lion half
back, filling in for missing teammate Steve Owens, led his team to
first place in the fifth annual Alex
Karras Celebrity Golf Classic
Monday at Rochester's Great Oaks
Country Club.

Zofko was the first to tee off in
the morning, and then opted for a
second 18-hold round as a celebrity
with John Morad, Jim Canham
and Ted Panaretos.

CARRY, HE DID. His tee shots boomed skyward, and earned him long drive honors for the day. His afternoon foursime combined for a 12-under-par 59 in the scramble event, the best score for that type of-play ever at Great Oaks. The previous best was it 62.

The scramble format allows each player to hit a shot, then determine the best lie, and have each player to hit from that point. On his final two holes, Zofko assured the winning effort with two straight birdies where his was the best shot of the foursome all the way through each hole. The tournament drew 60 celebrities and 160 other participants for a better than \$20,000 benefit for the Fairlawn Certer at Clinton Valley State Hospital. The center

Where was the host of the tour-nament all this time? He and teammates Lloyd West, Dave White and John Childer managed

### One hitter means split for Southfield's Adray

By TOM BAER

It's been a season of ups and downs for Southfield's Adray team.

Consider last Sunday's double-header with Livonia Griffin. Southfield's Ron Silberstein tossed a one-hitter, and his teammates managed a run in the seventh in-ning for a 1-0 victory in the second game.

Manager Ed Watkins' South-field team dropped the opener 7-1. Going into this week's games, Southfield is 6-9 in Livonia Adray play.

Silberstein, a righthander with a good curve, had a no-hitter going until the seventh when Griffins Richard Condon broke the spell with a single. Silberstein, now 2-1, struck out two and walked one in probably his best pitching performance of the summer.

Southfield broke the scoreless the in the seventh with a bases-loaded single of the inning with an example of the inning with an example of the inning with and a wild throw by a Griffin infielder put the runners on second

Don Fisher was walked inten-tionally to load the bases and set up Kelmigian for the hero role.

SOUTHFIELD PLAYED errorless baseball in that game—Definite progress from the first encounter when its three miscues led to four unearned runs.

Losing pitcher Jack Booth worked the whole game, unusual considering the 90-degree heat and the 7-1 slaughter. But Booth al-

lowed just seven hits in dropping his fourth game of the season against four wins.

Southfield scored its lone run when Jeff Goldberg walked and went to third on Fisher's double. Jim Lechner drove in the run with a sacrifice fly.

Southfield plays next at Livonia Burger King on Friday (July 12). The game is scheduled for 6 p.m. at Henry Ford Recreation Center, 33841 Lyndon.
