Come home to the romantic mood of a bygone era.

The poster bed bedroom, Early American symbol of connubial bliss, now promises more of the same with "do not disturb" prices. A whole bedroom full of virile deep country solid pine and pine veneers has been crafted into modern adaptations of romantic antiques. The commodious amoire of long ago. The triple dresser with its many drawers and velvet-lined jewelry trays. A night stand with sleigh top design. All have been lovingly rendered in our new Alpine finish (shown here), a mellow honey color, as well as Windsor, the dark, rich antiqued finish.
