

CROWLEY'S

The year of the scarf

Scarves are the flexible, workable and versatile accessory this year, to add freshness to an outfit and create a mood in your dressing. Echo Scarfs sends a few suggestions to spark and expand your wardrobe. At top left, for a very feminine look, tie a 64-inch chiffon into a bow at your neck. At top right, looking sporty is a 27-inch

square tied twice around your neck and knotted. At bottom left, a cuffed hat of the softest acrylic and a long matching bias end muffler are both for looks and warmth. At bottom right, a silk oblong in a geometric paisley is doubled around the neck while the ends sit softly outside your shirt.
