

Night Owl Window

WHEN OUR TELLERS ARE HOME ASLEEP, YOU CAN WAKE UP ONE OF OUR NIGHT OWLS.

Now you can find First Federal Savings of Detroit's new Night Owl Window waiting for you 24 hours a day. There's one in your neighborhood on Middlebelt Road, North of 7 Mile Road opposite the Livonia Shopping Mall.

NOW WE'RE NEVER REALLY CLOSED.

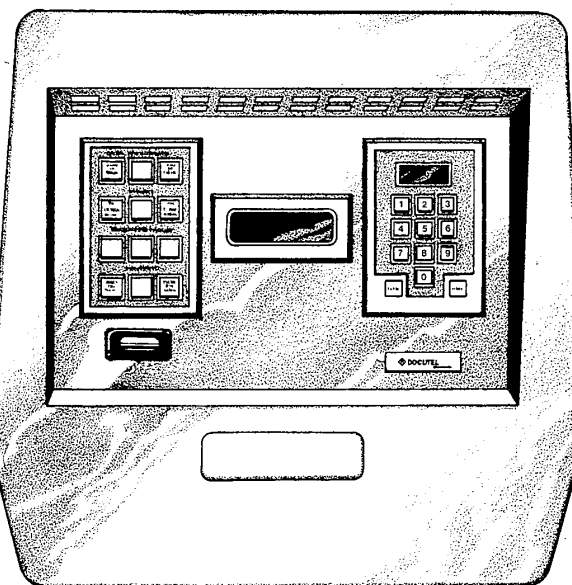

Our Night Owl Windows are 24-hour electronic tellers that allow you to do most of your First Federal business any time of night. Or day.

Our Owls are among the most advanced 24-hour machines in town, and they've got plenty of time to help you since they nest in the sides of our local branch offices.

WHAT THE NIGHT OWL WINDOW CAN DO FOR YOU.

When you nudge a Night Owl, you'll see it go to work quietly and efficiently, processing your financial business. Nearly every transaction you might need, it can handle.

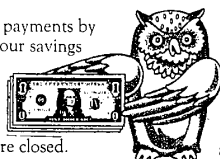

- Lets you cash personal checks up to \$100 a day, in multiples of \$25 or \$50.
- Lets you withdraw up to \$100 a day from your savings account, in multiples of \$25 or \$50.
- Lets you make deposits to your savings account in any amount.
- Lets you make First Federal loan payments by cash, check, or from your savings account.
- Lets you make Detroit Edison, Michigan Bell Telephone, or Michigan

- Lets you leave your First Federal passbook for interest posting when regular offices are closed.

And you can do any of these things 24 hours a day, seven days a week, at your convenience.

NOW, HERE'S HOW.

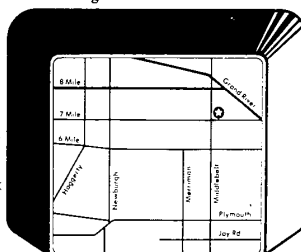

Simply fill out a brief NOW application. If you're a regular passbook savings account customer at First Federal and have a balance of \$500 or more in your account, you qualify for this free service. If you're not a regular passbook savings customer,

we'd like you to become one. And we'd like you to get acquainted with our Night Owl.

Once you qualify, you'll receive a First Federal Prestige Card and an exclusive Personal Identification Number that only you can use.
