

## A WEEK-END IN SOMERSET: IT'S NO PLACE LIKE HOME.

Which is just why you two might want to get a sitter and check in here some Friday evening. From relaxing in our luxurious rooms to cocktailting in the Golden Grape and dining in L'Auberge, there's much to break the old routine, and

get you back into shape for another go at it. There's swimming in our four seasons pool, a workout in our exercise room or a sauna bath to take the kinks out. And then you can spend Saturday shopping at the Fifth Avenue Somerset Mall, the evening at one of our

two cinemas, concerts or dramatic offerings at nearby places like Pine Knob and Meadowbrook, with a delicious Sunday brunch, in your room if you like. This weekend looks like a great one, so why not give our Reservation Desk a call?
