

# Old Farm paces Shenandoah Invitational

Old Farm Swim Club of West Bloomfield led nearly all the way in taking the first annual Shenandoah Invitational Swim Meet last Tuesday (Aug. 13).

Old Farm, coached by Rick Rapicetta, totaled 255 points in outdistancing second place finisher Beacon Square Swim Club of Southfield which compiled 223 points.

Farmington Swim Club came in third place with 219 points; the host Shenandoah club, in its first year of team competition, finished fourth with 57 points.

More than 400 fans were on hand during the 41 event finals competition. "That may have been a very conservative estimate," stated Shenandoah coach Larry Rosenberg. "It was very crowded here, both with fans and swimmers all around the area."

OLD FARM took an early lead as it piled up valuable first and second place finishes in the boys and girls seven-to-eight, nine-to-10 and 11-to-12-year-old events.

Beacon Square made a comeback in the older age-group events but could not take the lead.

Five double winners from Old Farm and three from Beacon Square highlighted the day's activities.

Mike Wright took the 50-yard backstroke and 50-yard butterfly events in the 11-12-year-old grouping for Old Farm.

Other Old Farm double winners included Tim Horrigan (boys 7-8), Kris Wright (girls 13-14), Dara Stevens (girls 11-12) and Linda Stevens (girls 9-10).

PETE PAPAS and Marc Bootman took two events each for Beacon Square in the boys 15-17 group while Scott Page won two other events for the Southfield team in the boys 13-14 phase.

All three of the girls relay events went to Beacon Square teams while Old Farm came back to take two of the three boys relay competitions.

For Shenandoah, the fourth-place finish did not come as too much of a surprise to Rosenberg.

"This is only the first season that we've fielded a team and all of the other clubs have had too much experience for us to handle," he said.

"We have very high aspirations for next year and may be able to pass one or two of the teams that placed ahead of us," added Rosenberg.

As for the meet itself, Rosenberg said he felt that it was very successful.

"Many of the parents of our Shenandoah swimmers acted as timers and meet officials and all did a very fine job," said the coach. "We couldn't have done it without all of their help."
