

## MEN'S FASHION

Going Places

### Cover

Lary Hack is going places in Bill Kaiserman for Rafael county English tweed suit with suede accents. In black and white the suit gets away from it all with the European flare of high armholes, fitted waist and simple lines.

### Shopping

Information about where items shown in this special section can be purchased, may be obtained by calling The Observer & Eccentric at 644-1100 during regular business hours. Ask for the shopping information guide.

"Going Places" was written by Christine Walden. Photography by Lona Askins. Page design and editing by Patricia Beach Smith, Observer & Eccentric special sections editor.
