

Prep star works on game at FCC

By KEN SCHIFF
Plymouth's Jeff Roth is a golfer with a one-handicap.

Normally, Roth would just be considered a good golfer at the Farmington Country Club. But being a senior at Plymouth Salem High School and a one-handicapper makes him extraordinary.

Roth, who led Salem's golf team to the state class A championship last season, has already established an impressive list of achievements.

The modest golfer recently won the Junior District Match Play Tournament, going 1 up on the runnerup at Barton Hills in Ann Arbor. He won the Golf Association of Michigan's junior championship last year at the Saginaw Country Club and finished second this year at the Monroe Country Club.

ROTH QUALIFIED for the final 36 holes of the Michigan Open and shot 36 for 72 holes. He had to miss his own club's junior tourney to play in the Open, giving someone else a chance to win that honor.

Roth qualified for the match play in the State Amateur held in Charlevoix, but lost in the quarterfinals to the tournament's eventual winner, Rod Sumter, who recently turned professional.

He won the Lake Isabella Junior Golf tournament in Mt. Pleasant in June and qualified for the Western Junior Open with a 36 hole total of 143.

With this long list of accomplishments and his room full of trophies, Roth still seems nonchalant. "Yes, I do have a lot of trophies," he said. "I don't know how many. I don't count them."

PLAYING ALMOST every day at the Farmington Country Club, Roth said he usually shoots 73-75 over the par 72 layout.

"I play with my dad a lot on week-ends and he usually helps me with my game rather than the pro," Roth said.

His talent must be inherent as Roth said he really hasn't taken any lessons except from his father.

"Dad's really brought my game around," he said.

Besides playing at the club, Roth plays at Braeburn with his fellow state champions at the Plymouth-Salem golf team.

"That championship last year was really nice," Roth said. "I get as much satisfaction from the school team as I do from the club. I like the competition."

"WE'VE ALREADY started playing again. They're not like practices or anything—we're just getting used to the course before school starts," he said.

Roth is not an exceptionally long hitter. He says he can drive 225 yards off the tee but that he relies on his short game.

"Yes, my short game is my strength," he said. "Anything within a hundred yards of the green."

Roth says he usually hits about 12 greens per round.

Of all Roth's achievements none is more amazing than the number of holes-in-one he's made. In his comparatively brief career, Roth has holed out ten times. That's more than most golfers—pros and duffers alike—get in a lifetime.

Not bad at all for a 16-year-old country club player.

CHCC wins rematch in dual meet diving

When the Oakland Hills Country Club finally got the Beverly Hills Athletic Club alone and in its own pool, they settled a diving issue which had remained debatable for the last two weeks.

It was two weeks ago when the two teams had met as part of an invitational meet at the Beverly Hills pool. At that time, they tied for first place in the six team meet.

But last Sunday, Oakland Hills played rude hosts using superior depth to dump Beverly Hills 80-64. The teams split 10 first place awards but Oakland Hills had more going for it over the dual meet. Beverly Hills won all but one girls' event but lost all but one boys' event.

Complete results were:
