

Distinctive Look from Wiggs Galerie de France . . . Two Beautiful New Country French Groupings

Three centuries of France are represented in this Country French Bedroom . . . an elegant expression of the "Wiggs Look," superbly crafted in rich, distressed fruitwood. Each piece is highlighted by exquisite carvings . . . the Regence motif of carved shell and acanthus or other foliage. Our selection abounds with dramatic "bedrooms", reproductions of authentic Country French bedroom furniture from 1610 to 1801. There are a total of 22 bedroom, 44 dining room and 13 living room pieces in our complete collection.

Our 18th Century Country French Living Room definitely captures the subtle and timeless lure of the originals. Thoughtful research has created Country French designs superbly scaled to today's rooms. Handsome good looks and sharp comfort typify the Sofa, Tuft Chair and majestic Wing Chair from the collection. Our fabric selection is excellent . . . to complement your choice of stained or painted wood finishes. The Tables are available in light or dark distressed fruitwood.

Wiggs offers over an acre of enjoyable browsing . . . including American Traditional Furniture Galleries, Ethan Allen Showcase, Carpet & Drapery Studios plus fine China, Crystal, Silver & Giftware Shop. Consult our talented Interior Designers or professional Salespeople for expert advice.
