CHEVROLET'S ALL NEW '75 CAR

monza 2+2

A brand new kind of car... it's smaller than a compact in size and easy on gasoline. But it's also a gutsy sport coupe in looks, features and spirit on the road. Monza meets the practical needs of today while it preserves the joy and sport of driving as you like it. A spirited V-8 engine and new torque arm rear suspension handle any road with authority.

NOVA

NOVA '75-COMpletely RESTORED

Always good, now it's beautiful. Nova for '75 has been emphatically refined along the lines of elegant European sedans. Clearly economy has taken a turn for the better.

CAPRICE

Caprice Classic—4 distinctive models that show you don't have to go any higher or larger to enjoy the satisfaction of owning a truly fine automobile.

CHEVELLE

Manbu Classic may be the most satisfying new car you ever brought home. Mid-size. Mid-price. A new Chevrolet Efficiency System. Comfort. Easy handling. Room for 2 adults. And a strong reputation for value.

CAMARO

A Driver's car—low profile, wide stance, sloping deck. And the way it looks is the way it goes. For 1975 we've extensively revamped our standard 6 cylinder engine too, making it smoother, more responsive, and more economical.

MONTE CARLO

Honest and faithful with classic design and handsome interiors. Monte Carlo is neat in size, agile, and responsive. And a lengthy roster of available features lets you make Monte Carlo as personal as your signature.
