

Tell us
the way you
would like to live
and we'll help
you plan it...

whether it's your entire home or a single room. We can develop your ideas, create a background in keeping with your tastes, give you a fresh viewpoint on home decorating problems. We can blend and accessorize your home into a harmonious whole! People look to us for furniture that's the ultimate in beauty, quality and fine design and for decorating advice that brings good taste and charm to their homes. No charge for this service!
