

Touches

A classically styled mirror in a new/old material

Designing your environment . . . with bold fabric panels from Marimekko.

Colorful, versatile and very reasonably priced . . . these high-quality panels are created from silk-screened Marimekko fabrics. They seem to look well most anywhere and will add excitement to any home decorating projects. Come in soon and see.

Palaset...
a most versatile, colorful shelving storage system.

Exclusive with Orthogonality, this modular system combines strength, a variety of pieces and bright color. You'll find Palaset useful throughout the house.
