The Official Presidential Inaugural Medal

To assure the continuity of Official Presidential Inaugural Medals, (struck for every President since William McKinley in 1901) the Presidential Inaugural Medal Committee, headed by Senator Mark Hatfield, has authorized the issuance of an Official Presidential Medal to honor Gerald R. Ford, the 38th President of the United States.

The Gerald R. Ford Medal will be struck in dramatic high-relief by Medallic Art Company, medalist of nine previous Official Presidential Inaugural Medals including those for Franklin D. Roosevelt, Dwight D. Eisenhower, John F. Kennedy, Lyndon B. Johnson and Richard M. Nixon.

The uniqueness of Mr. Ford's ascent to the Presidency coupled with the profound artistic skill of portrait sculptor, Mico Kaufman, combine to give this medal tremendous collector appeal. (Mr. Kaufman also created the Official V.P. Inaugural Medal for Mr. Ford.)

The new medal will be struck in limited editions of 24 kt. Gold on Pure Silver (Vermel), Proof Finish Pure Silver and Antique Finish Pure Silver. An unlimited edition Antique Finish Bronze will also be produced. All medal sales proceeds to the committee will be donated to a special non-profit fund to be personally selected by the President.

Limited Editions—
Each Medal 2 1/2" in Diameter and Serially Numbered

The Gold Vermel Edition (24 Kt. Gold electroplated on Pure Silver) has an antique patina finish of incredible beauty. The appeal of precious gold, combined with the extremely low limit of the edition, will make this a desirable acquisition for sophisticated collectors.

500 Four-Medal Sets will be Reserved for Discerning Collectors

In addition to the announced limits, 500 low-numbered, matched sets—one medal each of the Antique Bronze, Antique Finish Silver, Proof Finish Silver, and the Antique Gold Vermel—will be set aside to be sold on a first-come, first-served basis. Handomely packaged in a rich leather display case, the price, per set, is \$325.

Everlasting Value of Limited Edition Medals

Beyond the sculptural beauty of these Official Presidential Inaugural Medals—and apart from their intrinsic worth—lies real collector value. For once the established edition limits have been reached, dies will be cancelled and preserved for ultimate display at the Ford Presidential Library. Rarity, the magic ingredient in limited editions, will be assured.

Whether you wish one or more medals to give as gifts, to start or add to your own collection, or to share in this historic experience, we urge you to reserve your selection without delay. Use the handy coupon below.
