If you haven't been to Ted's in  
the last 6 years, don't wait too  
long for curb service.

We hate to break the news, but Ted's dropped in all our car-hops years ago. We haven't been Ted's Trailer or the local high school hang-out for many a moon. But if all this is most disappointing, don't fret, because what we're becoming over the past years is a restaurant complex of sheer delight. Come inside to a great cocktail, fabulous dining and some of the best entertainment around.

Our Cranbrook Coffee House is available for anytime good eating. Gatsby's is your answer for a great night-on-the-town. And our handsome Pub & Parlor sets the perfect mood for relaxation. Ted's isn't what she was, but a whole lot better. We've matured, just like you. And we know we can make you feel very, very good.
