

**A QUEEN'S NIGHT OUT** — Ex-Farmington City Clerk Trena Quinn (right) receives a presentation from more than 60 of her southeastern Michigan governmental associates at a surprise testimonial held Friday, July 26 in the Kingsley Inn. Presenting the gift is Mrs. Dorothy Manley, clerk of Huntington Woods and past president of the Michigan City Clerks Association. A pendant watch was among the mementos given Mrs. Quinn, who retired from Farmington service June 30.

Keeping cool may end up being the hottest thing you've ever done. On the extremely hot days, when your electric fan is pressured into a lot of action, it could rebel and ignite. Just to be on the safe side, don't leave an electric fan going all night or while you are not at home. Best thing to do, on those balmy, hot days, is to visit your friends who have had central air conditioning installed.

It isn't easy, I'm told, to get in contact with everyone, after so many years and many name changes. If you haven't been contacted and wish more information, call Marylyn Burton, Flex of Dearborn.

The South Congregational Church was the setting for the exchange of marriage vows between Richard Gobeille, son of Mr. and Mrs. William Gobeille, of Farmersville, and Lyn Carol Erikson, daughter of Mr. and Mrs. Ted Don Erikson, of Stahelin Ave., Detroit.

# Now you get 5% annual interest guaranteed for 4 years. And 7 other benefits.

- 1. Maximum Interest Guaranteed.** NBD guarantees you'll earn 5% annual interest for 4 years. By continuous compounding, your money will actually earn the equivalent of more than 5 1/2% annually.
- 2. Continuous Compounding.** Since 5% is the maximum annual interest rate permitted by law, we couldn't change that. But we could increase the number of times the interest is compounded. We did. We guarantee to compound your interest minute by minute.
- 3. Convenient Withdrawal.** Any money that has been on deposit at least 90 days (the legally required limit) may be withdrawn. You can take it out during the first ten days of each calendar quarter without notice. Or at any time with the usual 3-month written notice. Any money withdrawn will have earned maximum interest right to the time you take it out.
- 4. Add to Your Account.** You can open a Time Deposit with \$1,000 or more. Then you can add to it in increments of \$100 or more. Even arrange automatic transfer from your checking account. If you start with \$1,000 and add \$100 every month, for example, you'll have \$6,423.95 at maturity.
- 5. New Quarterly Statements.** Statements, mailed you each quarter, show the current total of your account, including the additional deposits you've made. They also show the interest you've already earned. And the total amount that has been on deposit long enough to be available for withdrawal without notice.
- 6. Income Tax Statement.** You get a convenient year-end Income Tax Statement showing the total amount of interest earned during the year.
- 7. Handy Passbook Folder.** Now you can keep all your statements, deposits and withdrawal slips and Income Tax Statement together in this compact passbook folder.
- 8. Security and Convenience of NBD.** NBD is one of the largest banks in the country... one reason we can guarantee your money will earn what we say it will earn. And to make it convenient for you, we have nearly 700 offices throughout the metropolitan area. Ask about guaranteed Time Deposits at the National Bank of Detroit.
