

JOHN T. McWILLIAMS

Officers installed

John T. McWilliams of Birmingham was elected president of the Hi-Twelve of the Hills No. 319, at its annual election meeting at Oakland Hills Country Club.

Joseph Young of Detroit, Jerry Brown of Bloomfield Hills and Jack O'Connor of Southfield were elected vice presidents.

Joseph Gastmann of Sterling Heights was elected secretary-treasurer for 1975.

President-elect McWilliams and the new officers were installed Thursday Jan. 9 at the Bloomfield Open Hunt Club. Thomas Ballard, state president, of Southfield, and state officers conducted the installation.

The Hi-Twelve club is a national service club of the Masonic Order, whose chief objective is providing support for the Walcott Foundation, Inc., in training young men for the U.S. Diplomatic Corps.

T. Waldo Thompson, T. Allen Shannon and Dave Falvey, all of Bloomfield Hills, were elected to the board of governors.

DR. ARNOLD WEISSLER

Dr. Weissler named chief

Dr. Arnold M. Weissler of Birmingham, chief of medicine at Harper Hospital Division of United Hospitals of Detroit, has been elected chairman of the cardiovascular board of the American Board of Internal Medicine.

The cardiovascular board is the oldest specialty examining body in the field of internal medicine.

It certifies only those physicians who are specialists in the field of cardiology who have passed the high professional standards of the sub-specialty board, including both oral and written examinations.

Dr. Weissler has authored many scientific papers and has written a book called "Noninvasive Cardiology," which emphasizes new advances in the field and stress on three methods which have the greatest potential in current cardiovascular diagnostic practices.

City receives fair money

BIRMINGHAM—The city government has received \$2,258 as its share of profits from the 1974 village fair.

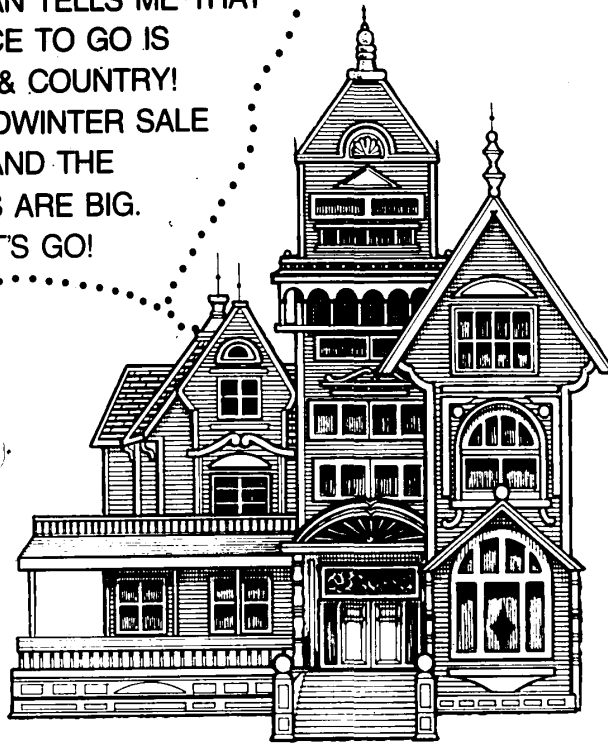

The fair is held every year as a major fund-raising activity of the Birmingham-Bloomfield Chamber of Commerce. The city received 10 per cent of the profit from rides and 50 per cent of the net income from booth rentals, according to previous agreement with the chamber.

The chamber's financial statement showed a net income of \$17,346 from rides and \$1,046 from booth rentals.

Each community organization also realized a profit from both attractions.

The city commission received the funds from the chamber at the Jan. 6 meeting. City Manager Robert Kenning said most of the money would be used for improvements in city parks.
