

The Ethan Allen Home Fashion Center

How it works to help you decorate a beautiful home

Whether you're decorating a room, an entire home or freshening up a corner, at some point you're going to be choosing what you want in the way of colors and textures, in fabrics, floor coverings, paint or wall paper. Putting these things together to achieve the final result you've dreamed about is pretty much the simple secret of decorating a beautiful home...the way you want.

Certainly, your floor plan, choice of design and size and scale are important, but it's color and texture that really make things come alive.

Making it easier for you to choose from these decorating elements is what the Ethan Allen Home Fashion Center in our Gallery is all about...so the final result is even better than you had hoped.

After you look at furniture and accessories and a host of ideas in our beautiful rooms, you have a world of color, pattern and texture at your fingertips waiting for you in the Ethan Allen Home Fashion Center all under one roof. No more trying to carry swatches, samples, color chips and ideas in your head running from store to store.

Here you'll find beautiful broadloom carpeting, Oriental, Caucasian and American stenciled design rugs, bedspreads, upholstery and drapery fabrics, all correlated to go together and a marvelous range of traditional contemporary wall papers.

In the Ethan Allen Home Fashion Center you can mix and match colors and patterns until you find exactly the right combination, and our concerned and competent Home Planners are always ready to make expert suggestions; to give you as much or as little help as you want.

Does it work? Here on these pages you'll see how the Home Fashion Center and all it offers worked to create some of the attractive rooms in this brochure.

Remember, whether you're just adding to something you already have or starting a whole decorating plan from scratch, the Home Fashion Center makes the job easier.

Visit us now. You'll enjoy both exciting ideas and exciting savings!
