Some Important Points About Having Executive Tax Service Do Your Income Tax Returns...

1. We do the work at your convenience in the privacy of our office, or yours, when you want it done. We'll do it when you want it.
2. We will completely explain your own placed income tax returns, so that you are thoroughly acquainted with how your taxes were prepared.
3. We have no charge only on the cost of your return, based on the amount of your income or refund. You'll see what this does to you for.
4. We work just as hard to save your money as you do to earn it.

This is not the year to overpay your income taxes. Now, is the year to overpay for having them prepared.
