

Southfield High hosts guest pianist

City plans concert April 12

Well-known metropolitan area pianist Misha Kottler will be the guest soloist at an April 12 concert at Southfield High School auditorium. Kottler will appear with the Scandi-

navian Symphony under the baton of Valtter Poole. The Sunday evening all-Beethoven concert begins at 8:30 p.m. It is being sponsored by the Southfield Parks and Recreation Department.

Tickets are available through committee members or at the box office on concert night.

KOTTLER, BORN in Kiev, Russia, has appeared as soloist with the Detroit Symphony some 30 times. He was musical director of WWJ radio for 35 years and official pianist of the Detroit Symphony for 20. He is now professor and chairman of the piano division of Wayne State University.

Kottler began his musical studies on the violin at age four and later, under the supervision of his uncle, changed to piano. At seven he entered the Imperial Conservatory of Kiev and went on a concert tour of the Ukraine at nine. In Paris, he studied under Alfred Cortot and then spent six years as a pupil of Emile Von Saure, a Liszt protégé.

For the Southfield concert, Kottler will play Beethoven's Emperor Concerto for Piano and Orchestra. The other program selections will be Equale for Trombones and the Symphony No. 7 Opus 92.

Announcing the Jaguar XJ12L.

The Jaguar mystique lengthens.

When introduced last year, the XJ12 sedan received universal praise from automotive journalists. One went so far as to write, "It may just be the best sedan available anywhere in the world."

To that we now add exactly four inches of leg room in the rear passenger compartment. The Series II XJ12L is a 6 1/2 inch measure of luxury for this highly acclaimed sedan.

And Jaguar's famed roadability comes from running gear usually reserved for pure racing machinery. Independent front and rear suspension, power-assisted four-wheel disc brakes and power-assisted rack and pinion steering.

See the XJ12L in our showroom now.
