Last call to be listed in Jaycees' directory

The next issue of the Farmington Community Directory goes to press in May and will be distributed in June. The Farmington Jaycees, who have compiled the directory and distributed it to the two communities as a public service in a long standing project, have set a deadline now for Wednesday, April 18, to anyone who wants to be listed, or to those who want to participate by purchasing an ad. Listings are open to all clubs, groups, organizations, churches, educational institutions—"anyone and everyone who is part of Farmington," said Fred Madley, spokesman for the Jaycees. Ads are available through Jim Luke

or John Krieman, co-sales chairman for the directory by calling the Jaycees new official number, 478-6551, or writing Farmington Area Jaycees, P.O. Box 33, Farmington, 48034. THE DIRECTORY is expected to be about 36 pages this year and will reach residents in a blanket mailing to 32,000 addresses. In addition, the directory is given to realtors as a service to newcomers, and to Welcome Wagon. Krieman called the directory "a complete listing of who's who in town—a sort of glorified yellow pages exclusively for Farmington." The directory is sponsored by the Farmington Chamber of Commerce.

"Kearage" by Strahan... The original for this charming design may well have come from our American forefathers. Typical of New England because of the intricacy, this wall covering was adapted from an antique fabric.

Kearage is just one of thirty-eight new wallcoverings from the 88th Anniversary Collection by Thomas Strahan Company. The entire collection is vinyl-acrylic coated and scrubbable, and many of the wallcoverings have correlated fabrics.

The 88th Anniversary Collection", as well as hundreds of other designs are presented in full sample rolls at our Birmingham Showroom. Stop in and visit us soon.

Consumers Power's Budget Billing

HAS HELPED ME WITH MY FAMILY BUDGET
It can help you, too!

Balancing the budget is not easy, but it certainly helps when I know that my utility bill will be the same amount each month — and budget for it. You can enjoy this convenience, too, if you enroll in Consumers Power's "Equal Monthly Payment Plan." Under this Plan, the total cost of the energy you use is averaged over a period of a year. Then this cost is divided into twelve equal payments. You pay that amount each month. May is the final month of the "Equal Payment Year," and at that time your account is adjusted for any overpayment or underpayment. There's no extra charge for this extra service. You can sign up at any time, but your monthly payments will be lowest if you start the Plan in June.
