Here comes **NOAH and the ARK**
A new storybook and record for children.

When you're young, the world seems very big. And it's important to know your role and your place. The retelling of the familiar Bible story helps children learn that listening to God and obeying Him keeps them safe in His care.

They'll enjoy following Noah's adventures in the delightfully illustrated book as they listen to the lively narration. And they'll sing along with the five original songs. You can share this "Noah" with any preschool or beginning reader.

"Noah and the Ark," a 22 page book with 7-inch 23 1/2" x 31" record, is available for \$2.50 at:
