BERNAY BY HERITAGE RECALLS
THE SPIRIT OF
18th CENTURY FRANCE.

You'll save a full 20% during April on the entire collection.

A few lovely additions to a room may sometimes bring about an entirely new look of luxury. That's what Bernay by Heritage can do for your home. Each of these traditional designs vividly portrays the flavor and the elegance that was the eighteenth century France of Louis XVI. Simple, basic lines contrasted by intricate details such as fluting, inlaying, embossing and edging, give each piece its own individuality and enhances any setting. And they work, too, no matter what your needs...for storage, for service or just plain good looks. Crafted of exquisite burly cherry finished in dark honey tones with accent borders of prime veneer.
