Bill Bliss lets you express yourself in print. Nobody else finds prints like these, (they're informal geometrics in interesting color combinations) and nobody else shapes them with as much sexy subtlety as Bill Bliss. There's a sort of American sass to the whole thing and you'll dig it. The fabric's a carefree textured polyester, and the price is what you'd expect to pay for not looking like everyone else: \$35.

# BRIDGE

Good bidding is essential to good bridge. It is the manner in which you communicate with your partner.

Styles and systems may vary, but information about the partnership holding is conveyed by bids.

West led the jack of hearts. A voluntary bid beyond the game level in an uninterrupted sequence is a specialized form of slam try usually inquiring about control of a specific suit. In this situation, it had to be the diamond suit, the only unbid suit.

Bertha Margolis of Troy, was dealt the North hand at a local club game. She felt the partnership had sufficient points and trick-taking ability to make a slam try.

Her real concern was the diamond suit. Dorothy Barron accepted the invitation and bid the slam. When West led trump, "Dottie" took all 13 tricks.

## Announcing the Jaguar XJ12L.

The Jaguar mystique lengthens.

When introduced last year, the XJ12 sedan received universal praise from automotive journalists. One went so far as to write: "It may just be the best sedan available anywhere in the world."

To that we now add exactly four inches of leg room in the rear passenger compartment. The Series II XJ12L is a final measure of luxury for this highly acclaimed sedan.

And Jaguar's famed roadability comes from running gear usually reserved for pure racing machinery. Independent front and rear suspension, power-assisted four-wheel disc brakes and power-assisted rack and pinion steering.

See the XJ12L in our show room now.
