New flowering crabs

At least 17 new flowering crab trees will be budding this spring on the grounds of nine elementary schools, planted during Arbor Week observances. The trees are a gift from the Hill and Dale Garden Club members, who shared their horticultural know-how this week with some of the students. At Woodcreek School, Steven Young and Jane Nance were among those who took a lesson in tree planting. (Staff photo)

Students to present Man of La Mancha

FARMINGTON—North Farmington High School will present "Man of La Mancha" 8 p.m. May 9, 10, 16 and 17 at the school.

Kurajian to speak on structural shells

FARMINGTON—George M. Kurajian of Farmington will present a paper in the area of structural shells, co-authored with R. B. Stewart of the Chrysler Corp., at the International Conference on Structural Mechanics in Reactor Technology at the Imperial College, London, in September.

Kurajian is a professor of mechanical engineering.

Tickets may be purchased by writing to Raelene Orcutt at the school.
