## CALCULATING CALVIN'S CORNER.

**Hitting the road with Calvin.** I think  
you all know that Triple-A's Emergency Road  
Service alone can save you enough to pay for the  
cost of your membership. (If you've ever had to  
call the friendly neighborhood gas station for a  
start, you know just how unfriendly the bill can be.)  
But did you know that Triple-A has 580 garages  
and service stations under contract in Michigan,  
with 151 emergency stations on a standby basis?  
Last year our Emergency Road Service trucks  
made 1,049,339 calls. That's a lotta help for a  
lotta people.

**We know where you're going.** And  
there's really no telling how much gasoline Triple-A  
has helped people save with their maps and  
Triple-A. They routed 758,282 members last year;  
made 41,611 reservations and sold 939,784 auto  
licenses. How's that for saving members money  
and grief?

**The magic number.** Triple-A's Travel  
Information Center (TIC) operates 18 hours a  
day, six days a week. It'll do just about everything  
except burp the baby. Call a single toll free number  
that's on your membership card and get tour  
information, weather and road condition reports,  
order a routing, make a hotel or motel reservation  
at a guaranteed rate, get information on mushrooms,  
fishing, camping or anything that's seasonal.  
You can call from anywhere in the state or right  
from home. In only nine months TIC has made  
13,980 routings, 13,113 motel reservations and  
handled 122,843 requests for information.

**Buy a new car.** Triple-A MemberLoan  
financing rates have been reduced dramatically, so  
buy a new car, used car, recreation vehicle or boat  
and help yourself and Michigan's economy. Triple-A  
arranged 14,462 MemberLoans last year, and with  
their lower rate they expect to double that in 1975  
and really save members a lot of money!

**AAA** Michigan
