Today's price increases due to inflation are everyone's concern. That is the very reason we are so excited about this sale. You can only profit by purchases at less than regular prices! Savings on the latest carpet fashions; not old-distress merchandise. We do not expect to ever be able to duplicate this offer. We urge you to stop in during this sale & select yours.

Selection

26 distinctive stylings in 500 colors. That's selection. Not just a few restricted items. Every major carpet style is represented in every color made in each group. Colors like English Willow, Country Herb, Pure Gold & 497 others. Some tame, some wild, some strong, some mild. Whatever your needs, we feel we'll have one just right for you. Come in and look us over during our extravaganza.
