TEMPLE KOL AMI

a reform congregation "ONCE UPON A TIME"

I remember our Temple when I was a kid (it seems like a ago) and I have such nice warm memories.

I remember how almost everyone seemed like family. Our par-ents seemed to know and like each other and we kids were friends even though lots of us went to different schools.

I remember the Rabbi wasn't just someone we saw from a dis-tance and didn't really know. We knew him and he knew us and we felt comfortable and relaxed with him.

I felt the warm feeling of our sanctuary, not the feeling of a cold museum, but of a quiet and serene place of thought.

I remember one religious school teacher in particular who took the whole thing and made it come to life.

I remember it so clearly because it's all happening as we joined Temple Kel Ami.

Some things in the good old days really were good.

If you would like to find some old times again give us a call.

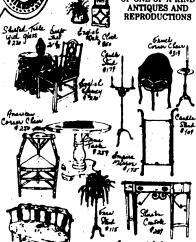

We'd love to have you join us for a membership open house 8 p.m.-10 p.m., Sunday, June 22 in our home at
