## Sheds Are Completed.

Thanks to the persistence of a  
few and the generosity of many,  
the Methodist church sheds are no  
longer a reproach to the church  
and the community.

When the project was first  
broached by the pastor many  
thought it useless to try to do  
anything, but after obtaining care-  
ful estimates of the cost from several  
competent men the subscription  
list was started and about \$60 in  
cash and pledges secured.

Finally about a month ago Wm.  
H. H. Smith, A. L. Travis and  
Mrs. Wolfe began to urge that the  
work be done and it is now fin-  
ished.

The pastor has received to date  
cash to the amount of \$52 and has  
several good pledges still to collect.  
If you wish to share in this privi-  
lege hand him your gift.

The total cost will be nearly \$500  
quite a bit less than was estimated  
due to the fact that most of the  
labor was contributed.

The sheds are now the property  
of the church and are to be used by  
any or all on the principal of "first  
come, first to be served."

Details in regard to receipts and  
expenditures will be published next  
week.

This week a new law goes into  
effect, making it unnecessary for a  
corpse to be accompanied by any  
one. Only a first class ticket has  
to be purchased and the body may  
be sent by baggage or express.

Neither the railroad or express  
company can charge more than the  
amount of a first-class ticket to the  
destination except that not less  
than \$2.00 must be paid.

All stamped envelopes which are  
spoiled by mistakes committed in  
superstition will be redeemed by  
the postoffice at the their stamp  
value. Postage stamps damaged  
by sticking together in warm or  
damp weather or for other causes  
before using may be returned to  
the department and their value re-  
paid to the purchaser or exchanged  
for new stamps. All redeemed en-  
velopes and stamps are sent by the  
postmaster who redeems them to  
the department and records of the  
same are kept. These regula-  
tions are, we think, not generally  
known at large, and their publica-  
tion may be beneficial to a large  
number of people.

Buy your State fair tickets at the  
Enterprise office and save trouble  
when you get there. Besides you  
are 15 cents on each ticket.
