

## Cures Dyspepsia; Trial Is Free

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the street, the worker in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of lassitude, by loss of appetite and troubled sleep, by sour stomach and distress after eating, by bad complexion and listless eyes.

There is no surer and speedier cure for this trouble than Dr. Caldwell's Syrup Pepsin, which dyspepsia have been using successfully for twenty years. This great herb-balm compound cures Capt. Clark, of Buffalo, N. Y., of dyspepsia and sour stomach that he had had for forty years, or until the lucky day that he heard of Dr. Caldwell's Syrup Pepsin. It cured Joel Adams, of Montgomery, Ala., after suffering continuously for sixteen months. These are only a few of the many. But it is not expensive to be cured with this grand remedy, as it can be bought at any drug store in a 50-cent or 40-cent bottle.

Your very nearest dealer are probably the long-agers of Dr. Caldwell's Syrup Pepsin, but if you want to know without expense what it will do for you personally, send your name to Dr. Caldwell and he will be glad to send you a free trial bottle. He is actually anxious to have you make a test of his remedy.

Thousands of families everywhere keep it in the house against such an emergency as constipation, sour stomach, indigestion, biliousness, dyspepsia, heartburn, torpid liver, etc., which may come on any member of the family any day. It is pleasant to the taste, acts gently and does not gripe. It is the great children's laxative tonic.

If there is anything about your ailment that you do not understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is: Dr. W. B. Caldwell, 500 Caldwell Bldg., Northville, Ill.

**READ WHAT MR. DEVEREAUX SAYS**—Rome, Mich. 7/14/09.  
Dr. Rhodes Company, Detroit, Mich.

Gentlemen: When I started treatment with you on the 15th of February last, I was nothing more than a living skeleton. I was troubled with Kidney Trouble and there, caused from blood poison, coming back, after fifteen years, and I had been doctoring with four other doctors for the last five years. The last doctor I took treatment with gave me up, he said, "there help for me," but a friend of mine came to see me one day and urged me to go and see the Dr. Rhodes Company. I was then so weak that I could hardly walk four blocks to take the car, and I only weighed 120 lbs. After taking two months with you, I gained 20 pounds and now I weigh 140 pounds, the most I ever weighed in my life before and I feel as good as I ever did, and am working every day. I thank you for what you have done for me as you have done just as you claimed to do. If you wish to use this letter as a testimonial, you are welcome to do so, as I wish to see every man cured that is suffering the way I was and from a disease that is counted incurable. Yours truly,  
Edw. J. Devereaux, Rome, Mich.
