"THIS NEW VW... WILL SURELY SET STANDARDS FOR OTHERS TO MEET OVER THE NEXT FEW YEARS."

Scirocco: A hot wind from the Sahara. Scirocco: A hot new car from Volkswagen. Here's a real Road & Track test to say about the Scirocco: It's a modern, sophisticated car... a car that appears to be perfectly suited for our time. Lively acceleration with remarkable fuel economy... crisp handling... The steering is light... cornering power is real and the sports car range, too... There's no waste not an ounce of fat on it, and yet it's exciting to look at, delightful to drive and technologically fascinating.
