

**MacDonald completes class**

Navy Seaman Apprentice Gary C. MacDonald, son of Mr. and Mrs. Joseph S. MacDonald of 2225 N. Stockton Farmington, was graduated from quartermaster school at the Naval Training Center, San Diego.

During the four-week course, he received instruction in ship navigation and the procedures for plotting courses. He also learned how to operate related equipment and transmit and receive messages.

Patt Mann sorts books during a sidewalk sale at Chatham Square shopping center. Many area merchants had sidewalk sales as part of the Founders' Festival.

**Legion all-stars win on pitching**

Strong pitching helped Oakland County's American Legion 18th District All-Stars defeat the 7th District All-Stars of Macomb County, 1-0, in nine innings last Saturday at Pontiac's Jaycee Park.

Three 18th District pitchers—Waterford's Jim Crosby and Mark Colard and Berkley's Bud Yarus—gave up only three hits, all singles. Colard, the winning pitcher, worked the last two innings and struck out one batter. Crosby started the game and worked four innings, striking out five, walking one and hitting a batter. Yarus pitched three innings and fanned three.

The 18th District broke the scoreless tie in the ninth. Birmingham-Troy's Lance Dunne singled and went to second on a bad throw to first base. Dunne advanced to third on a ground out by Berkley's Bill Trapani, and scored on a two-out single by Lee Seid of Berkley.

The 18th District managed just five hits off 7th District pitchers. The winners left five men on base. Double plays eliminated two other threats, and two 18th District players were out down trying to steal.

The June 18th District error was charged against Farmington first baseman Sam Pink when a throw popped out of his glove.

"It was just a well played game with super pitching for both teams," said Farmington manager Wally Christensen, who coached the team. The squad was managed by Waterford's Neil Walton.

**'Fade Away Your Gray'**

1st Day 6th Day 12th Day 18th Day

Time-lapse photographs show how gradual action of Grecian Formula 16 lets you control just how much gray you slowly get rid of—some of it or all of it.

WHILE PLAINS, N.Y.—Thousands of men all over the country are discovering they don't have to live their hair a solid dark color to look years younger. Grecian Formula 16 is not a dark messy dye. It is a colorless liquid as easy to use as hair lotion. Used every day, the gray slowly fades away and is replaced by natural-looking color. The change occurs so slowly over a period of time your closest associates don't notice it happening. You have complete control of just how much gray you slowly get rid of—some of it or all of it. Then once a week or so keeps it that way. Hair definitely does not have a dyed look. Grecian Formula 16, famous clear liquid and new cream are now both available at
