

At Cranbrook

**Dinner guest
tour gardens**

Guests strolled among the gardens, where water fountains lent enchantment, at an "Evening in the Garden II" Saturday at Cranbrook House in Bloomfield Hills.

More than 150 guests were seated at tables inside the house and outdoors under a tent for dinner sponsored by the Cranbrook House Auxiliary and Cranbrook House Gardens.

The party was given for members of the auxiliaries involved in planning tours of Cranbrook House, which will be offered to the public for the first time this fall, and garden tours, available the last four years.

Cranbrook House, built by architect Albert Kahn, was the home since 1907 of the late George and Ellen Booth, founders of the Cranbrook Institutions.

Tours will help maintain the house and keep it open as a cultural center for the institutions. Groups of not less than 10, can make tour reservations by calling Eleanor Boyer, director of volunteers, at Cranbrook House.

Mrs. Richard Wallace is president of the house auxiliary, and Mrs. David Taylor heads the garden auxiliary.
