How to have a great family vacation

Stay right in your own backyard. Chances are, there are plenty of exciting things to do as a family that aren't that far away. Like visiting a national park. Go fishing. Or camping. Or taking a short trip to the nearest big city or point of interest. And remember. If you're a little short of money for your vacation, see HFC about a Traveloan. You may borrow up to \$1500 from Household Finance to pay for your next family vacation. And that'll go a long way. Even if you don't.
